Sir:

In response to the *NOTICE TO FILE CORRECTED APPLICATION PAPERS* dated  
September 27, 2005, Applicants provide copies of the Forms PTO-1449 listed in the chart on the  
following page.

The NOTICE was not specific as to which documents were illegible, merely stating  
"IDS/1449's are illegible." It is believed that the seven sheets of Forms PTO-1449  
submitted by a previous law firm, having smaller type, are the cause of the NOTICE being issued.  
Accordingly, the first seven sheets are enlarged to be easier to read.

The last seven sheets, previously submitted by the undersigned, are believed to be very  
clear and are merely reprinted at actual size, for the convenience of the Publishing Division.

If the PTO still believes items are unclear, it is requested that the next communication be specific as to which sheets are said to be illegible.

Respectfully submitted,
